Itamar Reiner

www.hamsta180.com itamar@hamsta180.com

I am looking to join a game studio in which
I could express my artistic vision,
especially in visual development as a concept artist.
I would also be delighted to work as a 3D production artist,
animator or UI designer, as well as a QA tester
or production assistant, to gain industry experience.

EDUCATION:

Columbus College of Art & Design May 2011
Columbus, Ohio
Bachelor of Fine Arts in Illustration

New Bulgarian University July 2007
Sofia, Bulgaria
Bachelor of Graphic Design

Tiltan College July 2005
of Design and Visual Communication
